

Jelly Mobile

What you'll need:

- Paper, any color
- Coloring supplies
- Tape
- Yarn or string
- Two wooden dowels or sticks
- Scissors

1. Cut out 4 half circles of paper to make the jelly's body. Decorate!

2. Tape short pieces of yarn on the straight edge of each half circle to make tentacles.

3. Use some yarn to tie your sticks together in an X shape, wrapping it around several times.

4. Tape mid-size pieces of yarn to the curved part of each jelly.

5. Attach each jelly to your mobile frame.

6. Tie another piece of yarn around the center of the sticks to hang it up!

Check out our example and share pictures of yours!
