

# Shark Trackers

*Tracking animals is important to learning more about them*

Visit <https://www.ocearch.org> to learn more about sharks and how scientists study them.

1. Explore the OCEARCH website and pick a shark to learn more about.

Which one did you pick?

1. Answer the following questions about your shark:

- a. What's your shark's name?

- a. What species is your shark?

- a. What are two facts about your shark?

- a. What questions do you have about your shark?

You can also check out our sharks here at the Aquarium at <https://bit.ly/2TWOjzl>

*Share your adventures and activities online with #aopkidsclub*
